

We're All About Lighting

Specialty Bulb Products Inc. was established in 1985 and provides a huge range of lighting products to a broad market such as: entertainment, aviation, marine, large institutional, medical, scientific, and educational.

Our operation has an ever increasing geographic reach both nationally and beyond. And it's no wonder—Specialty Bulbs Products Inc. has invested heavily in state-of-the-art technology to enable our highly skilled staff (over 50 years combined experience!) to efficiently provide you with positive, helpful, accurate assistance. We're just a call or email away!

our mission

Our highest goal is to help you—we want to exceed your expectations with our products and our customer care.

we promise you:

- A commitment to selling only products we can recommend with confidence
- A buying experience as pleasant and efficient as possible
- The kind of service you thought went out of style decades ago
- To always do our best
- To deserve your business on an ongoing basis
- To do what it takes to ensure that we deliver beyond your expectations

here is what our clients are saying:

"Plain old fashioned professional customer service. They do what they promise!"

"When I need something out of the ordinary, I go directly to SPBI - they're the experts in identifying Hard to Find lamps." CW

"They know what they're talking about. I trust their advice."

"I needed a projection lamp with a de-listed part number. SBPI not only stocks the broadest range of Projection Lamps in Canada, but they can also supply many hard to find lamps. SBPI is always my first and last call when it comes to lighting products."

"SBPI isn't only about hard to find items. They're respected distributors of a wide range of product lines representing many of the major manufacturers around the world. That's why I have complete confidence in them!"
